China's destiny & Chinese economic theory, : Kai-shek ...

As if under the satirical magnifying glass, the Xingshi Yinyuan Zhuan, an anonymous traditional Chinese novel, portrays local society and provincial life in seventeenth-century China in comic and grotesque close-up. A dystopian satire, the novel provides fascinating insights into the popular culture and wild imagination of men and women in late imperial China.

China's destiny and Chinese economic theory (eBook, 2013 ...

If the 2010s were the decade where China's rising middle class and newly rich caught the attention of multinational consumer goods manufacturers and luxury firms, the 2020s were the decade where a half-billion affluent Chinese city dwellers supplanted the American consumer as the single biggest driving force in the global economy. How China ...

Choose your own adventure: China's economic destiny ...

During twenty-five years on Taiwan, operating in a microcosm of a stable and peaceful China, Chiang had his chance at nation-building, and in terms of social and economic indices (and the principles outlined in China's Destiny) he laid the groundwork for Taiwan's leap into modernity (the disparity of incomes in Taiwan is the least of any ...
