Cooperating for Peace and Security : Bruce D. Jones ...

Abstract The 21st century has witnessed institutional transformations at the regional and sub-regional levels to address peace and security challenges in Africa. At the centre of this transformation process is the creation of the African Union and its security organ, the Peace and Security Council (PSC), which has the mandate to maintain peace, security, and stability in Africa.

Cooperating for peace and security or competing for ...

Current major topics are the peace and security policy implications of China's Silk Road Initiative and conflict resolution approaches on the basis of the "Joint Regional Declaration" in Afghanistan and neighbouring countries, with an emphasis on the future of Afghanistan-Pakistan security and media relations; and multi-party dialogue ...
