Film Classics Alfred Hitchcock Collectors

Collecting Alfred Hitchcock's catalogue is fairly easy when it comes to his better known and generally more fêted US-made films from 1940 onwards, as they've been available in good quality editions right from the birth of home video. However, for his British films of the 1920s and 1930s it's a very different story.

"This collection brings together five original full soundtrack albums for Hitchcock films along with numerous themes for others of his classic creations. Totalling nearly five hours of music over four discs, this compilation offers a unique experience by isolating the scores from their original settings."

Alfred Hitchcock presents-Signatures in Suspense - CD Review

The British film magazine Sight & Sound polls critics once a decade to rank the top 250 movies of all time. Their last list came out in 2012 and Vertigo was at the top. Many critics consider it Alfred Hitchcock's masterpiece. It is no doubt a monumental film, but I also don't think it's the right Hitchcock picture for someone to start with.

Alfred Hitchcock, The Classic Collection, Notorious, Rebecca and Spellbound is great offering of the master. Each film is a treasure in itself and having the three of them together is a bountiful cinema feast, especially in the Blu-ray format. The stars of each film are, of course, superb, and Hitch's direction is breathtaking.
