How To Get Better Test

Be prepared for the test. Bring a pen and a pencil if there will be an essay question, multiple choice question, or short answer question. Also, bring an eraser. The bigger, the better. If the teacher allows it, bring a bottle of water and drink it throughout the test to refresh your mouth and mind.

How to Get Better Grades on Tests (with Pictures) - wikiHow

Pick a few studious pals and get together every few days to review the material. Put one person in charge of delegating tasks (snack duty, music selection) and keeping the group on target with its ...

in your psychometric testing in which you can gain the biggest improvement within a short time.

How to improve your numerical aptitude test score

When it comes to learning, a 2013 study showed that practice tests work BETTER than simply highlighting or re-reading your notes. So, turn your notes into flashcards or use a flashcard app for memorizing Spanish vocab. Ask your friends to quiz you or write your own practice test. 4. Practice for the inevitable. Outline essays ahead of time.

10 Steps To Ace Your Next Test | The Princeton Review

Retrieval practice: don't just re-study - test yourself (and test yourself in the same way that you expect you will be tested). Test yourself again and again - (spaced repetition) not just once per term. Space this testing out. Do some today, then test yourself on what you learned tomorrow.
