#### **Knowing Blog Business Know What**

I Know My Business. Great salespeople know their business. They have a deep understanding of their products, their service offerings, and their company's capabilities. They have a command of the features and benefits when they meet with their prospects.

#### **10 Essentials: Knowing My Business vs ... - The Sales Blog**

The intentions are good, and it's a potentially lucrative niche, but these type of blogs usually fail. I recommend first building a successful blog in another niche and then at some point in the future taking what you've learned about building a successful blog or online business and teach others. This is exactly what Abby and I did.

The Importance of Knowing. If you approached my grown children today and asked them what statements bother me the most, they would both probably say "I'm sorry" and "I don't know." We will leave the exploration of the statement "I'm sorry" for another blog, and for the time being concentrate on the statement "I don't know."
