What are the Quarters? The 'Quarters' often refer to the elements of nature that are forces honored by Pagans and Witches. They are named many things, but you will often hear them referred to as corners, quarters, Watchtowers, elements, Elementals, etc. All of these related titles have different meanings and represent different forms of energy.

And "He's standing at the corner of Main and 2nd" is fine. Don't say "in the corner" unless you mean in the corner of a box (inside a box) or room (inside the room), eg, "The teacher asked him to stand in the corner and say he was sorry for fighting." For more "on the corner," see the Credence Clearwater (I did like CCR as a kid):

Several cosmological and mythological systems portray four corners of the world or four quarters of the world corresponding approximately to the four points of the compass (or the two solstices and two equinoxes). At the center may lie a sacred mountain, garden, world tree, or other beginning-point of creation. Often four rivers run to the four corners of the world, and water or irrigate the ...

"Losing My Religion" is a song by the American alternative rock band R.E.M. The song was released as the first single from the group's 1991 album Out of Time. Built on a mandolin riff, "Losing My Religion" was an unlikely hit for the group, garnering extensive airplay on radio as well as on MTV and VH1 due to its critically acclaimed music video. The song became R.E.M.'s highest-charting hit in ...
