Self Helpless The Greatest Self

Self-help books are an American obsession and the most popular genre in the history of publishing - an amazing fact considering that nobody will ever admit to reading any of them. Now, two evolved young satirists bring you the definitive send-up of the genre's greatest hits. In Self-Helpless, you'll browse such unforgettable titles as:

I laughed till I cried. For those out there who think that self-help books can solve all your problems, this may not be for you. But those of us who think this whole self-help thing has gone too far, will be highly amused by the authors' creative parody of the most popular books in this area. The authors create book blurbs around their made-up titles.

Self-helpless : the greatest self-help books you'll never ...

Self Helpless. Jenny Peterson is a single, self-help junkie looking for her soul mate. But despite being an expert in self-improvement, her life still seems to be stuck in a rut. Her designer clothing rental business, even with its well-heeled Orange County clientele, is mysteriously losing money.

Self Helpless by Rachel Hall - Goodreads

Storyline. Self Helpless is the story of these four friends and their hair-brained search for enlightenment. These easily misguided young men each pursue a different self-help trend, always ending in disaster. During a poorly timed acid trip, The Drake has a vision in which he realizes that the answers he and his friends have been looking...
