Seminar On Stochastic Processes

Seminar on Stochastic Processes, 2019. March 13-16, 2019, The University of Utah, Salt Lake City, Utah. Kai-Lai Chung Lecture: Jean Bertoin (Universität Zürich) Invited Speakers: Dan Crisan (Imperial College London) Kay Kirkpatrick (University of Illinois at Urbana-Champaign)

"Seminar on Stochastic Processes, 2019" - math.utah.edu

Seminar on Stochastic Processes is a series of annual conferences devoted to stochastic analysis, Markov processes and other topics in probability theory of current interest. Every conference features five invited speakers and provides opportunity for short informal presentations of recent results and open problems.

Seminar on Stochastic Processes - University of Washington

Seminar on Stochastic Processes, 2018. The Seminar on Stochastic Processes, 2018, will be take place from May 9 through May 12, 2018. This conference will be held at both the Institute for Computational and Experimental Research in Mathematics (ICERM) and Brown University.
