The K&B .18 engine does not include a muffler. The muffler is typically designed for the particular boat that you have. Usually a pipe designed for a car will adapt well for a boat. Both standard mufflers and tuned pipes that use the standard two bolt-mounting pattern will work with the K&B .18 engines.

3.3.4 Mise-en-scene Man kunne nu fristes til at tro, at man som seer, var forvirret over serien. Med s?? mange sammenbindende elementer, ville det umiddelbart v??re sv??rt at skelne mellem nutid og datid, hvis det ikke var fordi at Ole Bornedal ved hj??lp af mise-en-scene tydeliggjorde tidspringene.
