The Healing Power Of Kindness

The Healing Power of Kindness: How Small Acts of Kindness Can Make a Big Difference. Different actions bring different results: an act of anger will bring hatred and violence, an act of kindness will bring love and compassion. I believe that everyone feels that, when we are kind, no matter how small our acts of kindness are,...

The Healing Power of Kindness: How Small Acts of Kindness ...

The Healing Power of Kindness Kindness is purposeful, voluntary action undertaken with sensitivity to the needs or desires of another person and actively directed toward fostering their well-being. Science shows that delivering health care with kindness leads to faster healing, reduced pain, increased immune function, lowered blood pressure, and decreased anxiety.

Dignity Health | The Healing Power of Kindness

The Healing Power of Kindness Kindness should be viewed as an indispensable part of the healing process. After all, it's been in the Hippocratic Oath for over a century: "I will remember that... warmth, sympathy, and understanding may outweigh the surgeon's knife or the chemist's drug."

The Healing Power of Kindness, Vol. 1: Releasing Judgment ...

Kindness reflects our inherent oneness with each other, while attack drives us still further apart in our awareness. In reviewing the principles of sickness and healing and some common misapplications, the discussion in this book helps us undo the sources of unkindness, so that in all our interactions we would reflect the Source of kindness.

The Healing Power of Kindness-Vol. 1 Releasing Judgment ...

An extensive scientific literature review sponsored by Dignity Health and conducted by the Center for Compassion and Altruism Research and Education (CCARE) at Stanford University reveals a growing body of scientific evidence that indicates kindness holds the power to heal. We now know that this often overlooked, virtually cost-free remedy has a statistically significant impact on our physical health.
