Bugs on a Rug. Prior to the lesson, scatter several bug word cards on the floor around the room. As you begin the lesson, pretend you are surprised as you pick up a word bug off of the floor. Ask the students if anyone else sees a bug on the floor. Ask the students how the words are alike and how they are different.

Snug Bug (Tune: Twinkle, Twinkle, Little Star) Lollie's a likeable ladybug! She plays all day with bugs and slugs. She gives her friends a great big hug, then pulls her wings with a little tug. She takes a nap, that sleepy bug. She's as snug as a bug on a rug!

The ug Family Set - Carl's Corner

We were referred to The Rug Bug from our property manager as an economical alternative to the big chain companies. Great price, even for a three story condo with multiple sets of carpeted stairs. Also, I love that they steam clean without using chemicals that could leave residue.

How many bugs are on the rug? In this beginning math game, kids must count and drag the correct number of bugs. Designed to help kids follow instructions and introduce them to basic addition, this counting game works on important preschool concepts. Plus, the bug graphics are so cute, kids will want to play time and time again.

Flannel Friday: Bug In A Rug. Now that summer reading is over, and the storytime season (a.k.a. the school year) begins. It seemed like a good time to weed the storytime collection in our department. It took some time, but we've made some room for new stuff. I also discovered the magic of pella.

Flannel Friday: Bug In A Rug | Storytelling

I later called the Rug Doctor company number (after reading the liability waiver which was unclear with regard to such things as bed bugs) listed on the receipt and put in a complaint. A few days later I received a call at 5:00 a.m. from a woman who was in charge of responding to complaints at Food Co. (aka Kroger Co.).

rug doctor - Bed Bugs, Review 754088 | ComplaintsBoard

We played Bug in a Rug! I got the idea from the blog Falling Flannelboards. I made a set of flannel bugs (different colored ladybugs) and a little rug. I lined all the bugs up with the rug underneath. Then I told them to close their eyes. I moved one of the bugs under the rug and let them open their eyes.
